Brillion resident Wenzel's mullet in national competition

By David Nordby
The Brillion News

BRILLION – One Brillion boy has taken his mullet hairdo national. Axel Wenzel has advanced to the final round of the USA Mullet Championships after reaching the top 25 in the national competition that started with 689 entrants.

A mullet, which is a hairstyle that is cut shorter on the sides but grown out in the back, has made a comeback after being popularized in the 1980s and into the 90s.

Axel finished the first round of voting in third place, which placed him in the top 100 kids. He then finished the second round in roughly 10th place, landing him in the top 25 kids in the nation for the best mullet.

"Now here we are asking for his local community that has supported him this far to continue to do so in the final round," his mother Jessica Wen-

We Cancel Timeshares for You

Many people believe their timeshares cannot be canceled, but they often can be. Our founder and CEO, Chuck McDowell, has successfully fought in federal court for the right to help timeshare owners — like you — out of their “binding” agreements. Whether you were misled or pressured, you may have an easy exit.

How Does the Cancellation Process Work?

- Start with a FREE consultation to discuss your needs.
- If we see that the circumstances of your agreement qualify you to exit the timeshare, you'll be assigned a specialist to walk you through gathering documentation.
- Our Resolution Department then works quickly to have your timeshare and related fees permanently terminated.

We are able to help most timeshare owners that contact us. You could be one phone call away from complete peace of mind.
