Guess Who?

I am a comic and actor born in Texas on December 13, 1967. I was a star quarterback in high school and I'm also proficient in piano. I gained recognition for my role on "In Living Color," and won an Oscar for portraying a music legend.

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

We Cancel Timeshares for You

Many people believe their timeshares cannot be canceled, but they often can be. Our founder and CEO, Chuck McDowell, has successfully fought in federal court for the right to help timeshare owners — like you — out of their “binding” agreements. Whether you were misled or pressured, you may have an easy exit.

How Does the Cancellation Process Work?

- Start with a FREE consultation to discuss your needs.
- If we see that the circumstances of your agreement qualify you to exit the timeshare, you'll be assigned a specialist to walk you through gathering documentation.
- Our Resolution Department then works quickly to have your timeshare and related fees permanently terminated.

We are able to help most timeshare owners that contact us. You could be one phone call away from complete peace of mind.

RURAL MUTUAL INSURANCE COMPANY

Dale Behnke and his wife Anita started the agency in June 2014 in Hilbert, Wisconsin. Rural Mutual values what is important in life and our promise is to protect and rebuild Wisconsin families, farms and businesses following times of unintended loss. Rural Mutual Insurance company is based in Madison and only sells insurance in the state of Wisconsin.

"Premiums Paid Here, Stay Here" to "Keep Wisconsin Strong!"

We are pleased to announce that Rural Mutual has been named to Ward's Top 50 out of nearly 3,000 companies nationwide in the P&C insurance industry for the thirteenth straight year.

For the policyholders, another Ward's 50 seal means that the company is financially secure and one of the most efficiently operated insurance providers in the country. This recognition also reinforces Rural Mutual's promise that when a claim happens, we will be there to work with our customers to reach a prompt and fair settlement.

Rural Mutual also provides a "Country Estate" policy. This product is unique and particularly attractive to the "Hobby Farm" market.

Something "NEW" is "Limited Water Endorsement". This is available now for Homes and Country Estates. Starting in December it will be available for Farms and Rental properties.

It covers surface water flooding (seepage through doors; windows; floors; etc) heavy rains and down pours.

Call Dale or Anita and they will provide quality insurance products for your **AUTO, HOME, FARM, BUSINESS, LIFE** and **ANNUITIES** through Rural Mutual Insurance Company and Farm Bureau Life Insurance Company.

They will listen to what's important to you and give you personal and dependable service. **"CALL THEM TODAY"**
