THANK YOU

The Brillion Lions Club would like to thank everyone who helped us with our annual **BIG TICKET RAFFLE** held on April 30.

Also a special thank you to members of the Brillion Optimists that helped with the raffles. We appreciate the great community turnout and support. It is through your generosity and businesses and individuals listed below that donated items that we are able to support our community projects and humanitarian needs in the community.

Remembering My Mom

Gerry Zipperer

who passed away 10 years ago on May 16, 2012.

You may own a million dollars, but you are the poorest in the land, if you don't have your beloved mother to clasp your lonely hand.

Though her smile is gone forever and her hands we cannot touch, still we have many memories of our mother we love so much.

This memory is our keeping, with which we never part. God has her in his kingdom, we have her in our hearts.

So, you who have a mother, cherish her with care, for you'll never know the heartache, till she's no longer there.

Missing you so much Mom.

Forever in my heart
~ Lynn

Guess Who?

I am an R&B singer born in Alabama on June 20, 1949. I founded several R&B groups and also played tennis on scholarship before making it big. In addition to my own hits, I co-wrote a song that raised money for Africa.

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

BUSINESS *Guide*

J&J SERVICE

J & J Service was established in 1990, and is located at 726 Main Street in Reedsville, at the corner of Highway 10 and Highway W. Casey Brandes has owned the business since February 2017. J & J Service has three full-time technicians and two part-time technicians, both students in the Brillion school district. We are currently looking to hire an additional technician to add to our busy shop.

J & J Service offers all facets of auto and truck repair, from alignments, tires and tire repair, to total engine and transmission replacement, using the latest computerized diagnostic equipment systems and repair information systems to aid in the most complex repairs. They also work on diesel pickup trucks including induction and injector cleaning. Air conditioning repair is also available, along with making and repairing hydraulic/AC hoses and lines.

The company uses top-of-the-line parts and state-of-the-art equipment, such as the Hunter Hawkeye Elite Laser Alignment machine, so they are able to meet the needs of new car technology with easy-to-read printouts and statistic reports. Other equipment includes the Hunter Road Force Tire Balancer and the Revolution Tire Changer which offer computerized tire repair, eliminating many common issues with vibration and rim

damage. They also have several handheld scan tools to be more versatile in electronic repairs.

Their staff of knowledgeable technicians are ASE Certified and continue to take classes and attend seminars to keep current with the latest technology in the industry. Up-to-date equipment and knowledgeable technicians are all part of J & J's mission to provide honest, friendly, courteous and professional service to all of its customers. Local pick-up and delivery of vehicles is available upon request. Call 754-4774, text 920-495-4774 or email info@jandjservice.net to set up your appointment.
