Sudoku

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Sine Timore Hair Salon and Bridal Studio opens

By David Nordby
The Brillion News

BRILLION – It’s fitting for Gracie Kluck that she wound up owning a hair salon. As a teenager, she was always the girl helping others with their hair and make-up prior to events like prom or performances for the dance team.

“It’d be so awesome to make a career out of this,” Kluck recalls thinking at some point. “It was so fun. I’d have all the girls in my basement getting ready.”

Kluck graduated from Brillion High School in 2018, went to hair school, spent a year working in Brillion then worked in Green Bay. She was ready for more.

She and Tiffany Janke have opened Sine Timore Hair Salon and Bridal Studio in Brillion, which had its grand opening last weekend.

“We came across this building and wanted to conjoin our businesses together,” Kluck said.

The location at 202 South Main Street also adds another business to downtown Brillion.

Kluck and Janke are accepting new clients but already have a base built up.

“It’s been pretty crazy with social media and marketing,” Kluck said. “Social media has changed so much ... It’s kind of interesting too because when I was in high school it was just styling with hair and makeup. Now it kind of turned into coloring and I do extensions and things like that, so it’s kind of like a different clientele that you’re going toward.”

Social media has been an advantage for growing their clientele. Kluck says she has clients from Brillion, Green Bay, ...

Manitowoc Street Pub wins Y100 challenge

By David Nordby
The Brillion News

REEDSVILLE – Manitowoc Street Pub is often the place to be in Reedsville.

It was definitely the place to be on a recent Saturday night jam-packed shoulder to shoulder

when a party was held to celebrate the bar winning the Y100 radio station Barstool Bracket Challenge.

The bar owned by Al and Patty Schreiber located at 444 Manitowoc Street has become a staple since the two opened it in June 2016. It is even more on the map

now after winning the competition.

“A credit goes out to some of my patrons, the more enthusiastic ones that were really kind of pushing their friends and then their friends’ friends and different groups of people,” Al Schreiber said.

The bar was nominated by patrons for the bracket then voting took place online, just like a traditional NCAA March Madness tournament.

“I think (Y100) wanted a sampling of all the different areas,” Schreiber said.

Other bars in the bracket in-

cluded Mud Creek Tap in Reedsville, Marsh Inn in Collins, Rocky Top in Greenleaf and Iron Buffalo in Menchalville. There were several from Green Bay and Appleton but not the most well-known names like Stadium View, The Bar and Anduzzi’s.

“They were aiming more ...
