*Thank you from the
Linda Skenandore family*

We are so thankful for your prayers, words of comfort, support and kindness, particularly during the time of Linda's passing. We felt so loved and honored that you took the time to say a prayer, visit, send a sympathy card, gift, meals and treats, flowers and donations. We appreciate you thinking of us. We will miss Linda every day, however, with friends and family like you we know we will be ok.

We additionally wish to express our appreciation to Pastor Ross Henzi, Pastor Kevin Klug (Nephew, Loveland CO) for their comfort, prayers and for a wonderful service, Sarah Pielhop - Pielhop-Wieting Funeral Home, Trinity Lutheran Church - Wendy, Cheryl, Marcia and Ladies Aid for all their help.

And all our love to Tamara Pribbernow, Sarah's "Sister" from another Mother, who was with us night and day when it was the roughest of times and helped in so many ways that we cannot begin to thank you enough.

THIS YEAR, MAKE WINTER FEEL
MORE LIKE SUMMER.

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
