Guess Who?

I am an athlete born in California on August 3, 1977. My love for football began at age 4 when I saw the NFC Championship game. I am the all-time leader in Super Bowl appearances and I've set numerous NFL records.

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Support for Ed Byrne

Ed's Family needs your help

As some of you may know, Ed Byrne, one of the writers for *The Brillion News* recently suffered a major stroke.

A **GiveSendGo** fund has been set up for Ed and his family to help get some support they are in need of.

"My father Ed Byrne tragically suffered a stroke recently and our family is doing everything we can to get him back to the life and community he loved so much. Unfortunately he is unable to communicate decisions on his own and we were so unprepared for something like this. Any help would go towards legal fees to attain guardianship so we can move forward in his rehab and to cover any medical costs."

-Matt Greene

How to donate:

Visit the **GiveSendGo** website, click the search bar at the top left of the page, type in Ed Byrne and search.

Or type in the link below:

Any help is greatly appreciated

We Cancel Timeshares for You

Many people believe their timeshares cannot be canceled, but they often can be. Our founder and CEO, Chuck McDowell, has successfully fought in federal court for the right to help timeshare owners — like you — out of their “binding” agreements. Whether you were misled or pressured, you may have an easy exit.

How Does the Cancellation Process Work?

- Start with a FREE consultation to discuss your needs.
- If we see that the circumstances of your agreement qualify you to exit the timeshare, you'll be assigned a specialist to walk you through gathering documentation.
- Our Resolution Department then works quickly to have your timeshare and related fees permanently terminated.

We are able to help most timeshare owners that contact us. You could be one phone call away from complete peace of mind.
