Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Brillion Public Library works toward garden

By David Nordby
The Brillion NewsBRILLION - Brillion Public Li-
brary Director Lydia Dill and the
library's committee have a plan to
turn the outside space into a read-
ing garden for the community.The Kaukauna Public Library
has a similar space, as does one in
Sheboygan."We just thought they were
such unique elements to bring to a
space and this would be the first one
in Calumet County, so we talked a
lot about bringing it to Brillion es-
pecially because the library already
owns the lawn next to us, and right
now it's just not utilized," Dill said.Dill, and others like Brittany
Smith, Tammy Koehler and the rest
of the library committee, have tried
to develop the project since it used
the lawn during COVID-19."We realized it wasn't very ac-
cessible for people. If we had a pro-
gram out there, we'd have to drag

out tables or chairs or people would
have to bring their own chairs, so
we started thinking about ways that
we could use that space in a new

way," Dill said.

There is a large fundraising ef-
fort ongoing for the project, as no
public money will go toward the

project.

The R.D. and Linda Peters
Foundation has been a major con-
tributor to the cause. The founda-tion donated \$30,000 this year and
will match up to \$50,000 raised
between now and the end of 2024.
If the library reaches the \$130,000
total, it would help jumpstart the
project."That would put us ready to
break ground on phase 1," Dill said.Phase one would include site
prep, hardscape, electrical, storm
and water, a sensory table, and
a picnic area. The second phase
would include perimeter fencing,
a play element, a gateway on Main
Street, a small reading nook and
planting. Phase three would in-
clude a gateway to the parking lot,
a dry creek and foot bridge, raised
garden beds, shade sails, a wooden
gazebo and a play element."We wanted to make sure that
we had the funding for each phase,
not that we started the project
and got halfway through and we
couldn't finish it, so the way we

Rockland Road ready to take the stage in Brillion

By David Nordby
The Brillion NewsBRILLION - The Christmas
season is a time for loved ones,
and Rockland Road is bring-
ing new meaning to that with its
"Christmas is Family" per-
formance at the Endries Performing
Arts Center next Friday, Dec. 1 at
7 p.m.Rockland Road is a group of
six musicians, and for the Mar-
tins, it's definitely a family matter.Here's a brief on how the fam-
ily sprouted. Grammy-winning
artist Paul Martin, the lead sing-
er and guitarist for country-pop
group Exile, met and married Ja-
mie Allen 28 years ago. Allen is
the daughter of Duane Allen, a

member of The Oak Ridge Boys, a
Country Music Hall of Fame gos-
pel group, and Norah Lee Allen,
a Grand Ole Opry background
singer. Paul, 60, and Jamie, 51,
had four children - March, 25;
Kell, 22; Texas, 18; Tallant, 16 -who have now joined the musical
world.Collectively, the family plays
23 different instruments and all of
them are vocalists."The kids just seemed to be
around (music) all the time,"Martin said. "There's probably
not a day that music's not being
played or sung in our house, even to
this day."Martin, a Kentucky native
whose family is now in Tennessee,
had his first road show was in the
1980s with runs as long as weeks
at a time and overseas trips."When you don't have a fam-
ily, it's a little easier to travel like
that," Martin said. Then when
the family came along, going on
the road became a tougher task."When you leave, it's just the
most gut-wrenching thing,"
tin said. "It would be
heart to leave."
